Dear Baker Heights family,

Your shepherds have given prayerful thought to the Covid 19 situation and our response to it in the Baker Heights church family. We would like to share some updated information with you. The following are our updated recommendations.

1). Beginning August 30, 2020, there will be a "mask only" worship area in the CBC room, located in the fellowship hall. Please note, that masks are required in this area and social distancing guidelines should be observed. Worship services will be livestreamed in this area. The mask only guideline should be observed by all age groups.

2). "Live" worship will continue in the main auditorium as it has for the past couple of months. Masks are recommended, especially when entering and exiting the building. Please follow social distancing guidelines, maintaining 6 foot of distance with those who are not part of your family. These recommendations apply to all assemblies in the auditorium, including Sunday a.m., p.m., and Wednesday evenings.

3). All teachers of children's classes are asked to wear masks or face shields while teaching.

4). It is also recommended, that children above the age of 10 wear masks while in the auditorium area.

Please understand that these recommendations are intended to help protect the health of Baker Heights members and to adhere to governmental guidelines. Please feel free to contact us for questions or comments. Your prayerful support always means a great deal to us, especially during these "difficult" times.
