"THOSE WHO GUARD THEIR LIPS PRESERVE THEIR LIVES, BUT THOSE WHO SPEAK RASHLY WILL COME TO RUIN." PROVERBS 13:3

Words . . . we are flooded by them! Our information society could rightly be called a "hurricane of words", a raging storm with the capability to wreak havoc and destroy the lives of people. Even our words as people of God can contribute to the damage and destruction! James wrote that the human tongue ". . . is a fire, a world of evil among the parts of the body. It corrupts the whole body, sets the whole course of one's life on fire, and is itself set on fire by hell." Those are strong words! There will be times when we feel slighted or hurt, we may feel that something needs to be said about a particular issue and we feel the need to respond in some way. It is, however, how we respond, and how we say things that make the difference between effective, uplifting words and words that tear down and destroy.

A few years back, Syrian hackers broke into the twitter account of the Associated Press and posted a false breaking news story about explosions at the White House. The reaction to the words was immediate. The Dow Jones Average fell 150 points and lost some \$136 million.

Yes, words are powerful. Yes, we react to words. Words can cause stock markets to crash, tempers to flare and relationships to fall apart. And if we are not careful, this storm of words can cause serious damage to the body of Christ. We can hurt one another. We can discourage one another, we can even cause someone to give up their faith. We are encouraged to choose our words carefully. Ephesians 4:29 admonishes us only to say things that ". . . are helpful for building others up according to their needs, that it may benefit those who listen."
