## WORTHY MINISTRIES

### Churches of Christ Disaster Relief Effort

The Churches of Christ Disaster Relief Effort immediately responds to any major disaster in the United States, and US Territories by sending truckloads of emergency food, water, cleaning, and other supplies to be distributed to all disaster victims in the disaster area through a local Church of Christ. They are a non-profit corporation, tax-exempt from state and federal income taxes under section 501 (a) of the Internal Revenue Code as an organization described in section 501(c)(3). The organization has fifteen employees consisting of an office staff, a warehouse crew, and 5 men who travel across the country telling local congregations about the work of Churches of Christ Disaster Relief Effort.

Churches of Christ Disaster Relief only works through the local Church of Christ in the community or town, where the disaster has occurred. If there is no Church of Christ in the town, Disaster Relief will contact the nearest town that has a Church of Christ and ask for help. Supplies will be distributed by this congregation "in the name of the Lord" to anyone who has been affected by the disaster regardless of race, color, creed, or religion.

### White Rock Fund

The White Rock Fund is a 501(c)3 non-profit foundation, providing grants to elderships of Churches of Christ for faithful teachers and preachers around the world.

The Fund is supported by individuals Christians working together, combining their resources to fulfill the "Great Commission" of Jesus Christ.

All monies are invested. Each year the trustees designate a significant percentage of the assets of the Fund for mission work. Each recipient of a grant must provide assurance of faithfulness to teaching the gospel. Only those who are faithful to Christ, His church and sound teaching are eligible for grants.

Each trustee and administrator volunteers his time and energies to this work.

The White Rock Fund is a volunteer organization. It does not provide salaries to any of its administrators. Its CPA, attorney and webmaster are volunteers and receive no remuneration. The Fund is a 501(c) 3 non-profit foundation, and does not own any property. It pays no mortgage, utilities, maintenance fees, property taxes or insurance on property. It proves no benefits to those who administer the Fund. The White Rock Fund does not employ fund-raisers. Forty percent of the grants are designated for preaching the gospel in the northeastern U.S. Sixty percent is used elsewhere around the world.
