2020 VISION?

It is interesting to look back at the year 2020 as there will be many things that stand out. There will be many negative aspects and hopefully some positive outcomes. To be sure, it was a year that none of us will soon forget. The circumstances have changed all of us. We can hope that most of those changes will work for the good in each of us. We can also hope that we will be stronger as a result and that we have learned to cope more effectively with adverse situations. We began the year with great hopes of a peaceful election process and hopes of unity, prosperity, and good health. I would be lying if I said I thought those wishes had come true! Yet, in spite of all that has happened we have learned some important lessons. We have learned just how vulnerable we are as human beings. We have learned that even with the great advances in medical technology that are available in our world, we can still be knocked to the ground by a virus that we cannot even see. We have learned that living united on this planet takes more than a "auto-pilot" approach to racial, social, economic, and political differences.

Hopefully, we have been "spurred on" by the events of 2020, to focus more on what is most important in this life: like realizing how short and how precious life is, how precious our relationships with others should be, and how near and how ready our God is to help us. We began this year at Baker Heights focusing on the importance of holding firmly to our anchor. God has allowed things to happen this year that have tried our faith, tested our trust and questioned our determination to hold firmly to the one who has promised that he will never leave us! Will your anchor hold?

As we reflect on 2020 and move forward to 2021, Pam and I would like to thank you for all the support and encouragement we have received from you.

We wish all of you God's peace, joy, and a strong awareness of His presence as we venture into 2021 together!

"May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit."
