JESUS IS THE ROCK ON WHICH HIS CHURCH IS BUILT. A CHURCH SO STRONG THAT NOT EVEN THE GATES OF HELL SHALL PREVAIL AGAINST IT. MATTHEW 16:18

Research shows that couples who attend church assemblies, even once a month, increase their chances of staying married. Studies have also shown that churchgoers feel better about their marriages than those who don't worship together.

Attending church assemblies provides us with a shared sense of values and purpose in life. It also provides us with a caring community of support – and every couple needs help from time to time.

Someone once said that cultivating spiritual intimacy in your marriage without incorporating the church is like trying to drive a car without a steering wheel.

From the beginning of our marriage, worshipping together at the church assembly has been routine for my wife and me. Of course, attending assemblies is not the goal of discipleship. It is an expression of involvement. Those most frequently involved track closely to those that are most frequently attending. There is definitely a connection.

On Sunday mornings, Sunday nights, and Wednesday nights we pile into the car and head to the church assembly where it always lifts our spirits to worship with others who, like us, are doing their best to walk in the footsteps of Jesus.
