MY CUP OVERFLOWS

Anyone like to drink coffee from a saucer? My granny did. Said it helped cool it down. Jimmy Dean even recorded a song about that practice called "Drinking From My Saucer". It has a good life message.

"I've never made a fortune, It's probably too late now.
 Oh, but I don't worry about that much, I'm happy anyhow.
 As I go along life's journey, I'm reaping better than I sow.
 I'm drinking from my saucer, my cup has overflowed.
 Ain't got a lot of riches, and sometimes the going's rough.
 But I've got a friend in Jesus, and that makes me rich enough.
 I thank God for all His blessings, and the mercy He's bestowed.
 I'm drinking from my saucer, my cup's overflowed.
 O sure, I've been through some storms, and there were times when my faith got a little thin.
 But, one day, all at once, those dark clouds broke, and that old sun she started shining again.
 So, Lord, help me not to grumble and complain about the tough rows I've hoed.
 I'm drinking from my saucer, my cup has overflowed.
 If I should go on living when the way grows steep and rough,
 I won't ask for other blessings, I'm already blessed enough.
 And may I never be too busy, to help another bear his load.
 Then I'll keep drinking from my saucer, my cup has overflowed."

Words by Mike Johnson

I'm thankful to have Jesus for my friend! Aren't you?
