## GOOD MORNING

This weekend, many of our youth participated in the annual Leadership Training for Christ convention. The purpose of LTC is to plan, organize, promote, and execute programs that assist young Christians to develop their knowledge of the Bible and biblical principles, enhance their communication and leadership skills, and orient their energies and abilities to areas of Christian service. With the participants, their coaches, and those who came to watch them, we had over 50 people there this year. As much as I enjoy getting to see how well our kids do every year, my favorite part is just getting to see the kids at the convention. The time they spend going to each other's events to encourage one another helps to strengthen the friendship they have been forming for the last few months.

The LTC theme this year is "The Promise", taken from Genesis 28:15. This was God's promise to Jacob - that God would be with Jacob and keep him wherever he went. He would bring Him back to the promised land and would not leave Him until He had done all that God had spoken to him. I hope our kids learn from this example and trust in God's promises their entire life. We are blessed to have such a loving and faithful God. I hope that you will join us the evening of May 1st as the kids that went to LTC will get a chance to share what they did at the convention and how they did. Some of our young men will help with that Sunday evening's services, and we will have a reception that you are invited to afterwards. In Him,

*Luke Bower*
