KEEP THE FIRES BURNING

As you read this, Shelly and I (along with Jenny Tholl) will have returned from a week at Peach Valley Christian Youth Camp. Luke, Carrie and a whole bunch of others will have been at White River Youth Camp. This was my 31st year as Camp Director at PVCYC. (No telling how many years Luke and Carrie have been involved at WRYC!) Church camp is always special, and if you don't believe it, just ask the kids and adults that went. It is always so hard to leave, because of the many friendships that began and continued.... As well as the special relationship with the Lord that has been nourished and strengthened.

Not everyone understands the excitement that we feel when we get back. Oh, yes, we are very tired... but the fire inside is there. You have to be there to experience it and understand. I would encourage you to not be a "downer" but smile big and keep encouraging our kids that went to camp. They need to see the excitement in you, as well. It truly is GREAT to be a Christian. It is great to be involved in the lives of these precious children. Believe me... it makes a difference. The fire has been lit; it has been stoked... let's work together to keep it burning. AMEN?
