GOOD MORNING

This last Friday was Veterans Day. Veterans Day is a public holiday held on the anniversary of the end of World War I (November 11) to honor US veterans and victims of all wars. It replaced Armistice Day in 1954. As I looked up the history and practices surrounding Veterans Day, I kept coming across a quote from President Woodrow Wilson, "To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations."

Freedom, Peace, Justice, we honor those who help secure those three words when it comes to our country. As Christians, we come together on the first day of the week to remember and honor the price that was paid for us to have a freedom, a peace, and justice that is far greater than anything an earthly country can provide.

Thinking about those things in the light of the sacrifice of Jesus Christ is humbling. **"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."** John 3:16

So, I hope that you took time to remember and thank those who have and are serving our country this last week and continue to do so. As followers of Jesus Christ, let us never forget the sacrifice that others have made on our behalf, especially that of God's only son.
