10 ½ MONTHS TO GO....

OK church.... 1 ½ months of 2023 are behind us. The future is bright for BHCC, no doubt. So many activities.... It seems like something is happening around here every day of the week. That's good. But just recently, I was reminded of a hymn that has been around since the early 90's.

Would you be poured out like wine upon the altar for Me?

Would you be broken like bread to feed the hungry?

Would you be so one with Me that you would do just as I will?

Would you be light and life and love My Word fulfilled?

You see, what I want to encourage you with today is – that we can always have a bunch of activities, but **why** are we doing these things, whatever they are? The real question is – “Are we making a difference?” Are we truly committed to the Lord and His way of life? You see, I am convinced that this is the key to evangelism. Are we spreading the good news by **being** the good news? Telling the story of Jesus is so much about **being** the story of Jesus, **being** the light and life and love of Jesus Christ.

When we talk about church growth, I hope we are not just talking about numbers, but more about souls... about blazing the trail... about being Jesus Christ to some lost soul around us. Instead of just sending the light, may God help us to TAKE the light.... And may that light be us. WE have truly heard the JOYFUL SOUND! Now let's take that joyful sound to even just one person.

Maybe we need an Operation Andrew. Andrew introduced his brother to Jesus. And look what an impact his brother had on the world! All it takes it just one. The challenge is ours.
