GOOD MORNING...

This last Sunday our youth participated in the Leadership Training for Christ convention. At the convention site we attend, there were over 2,500 people. All of the 3rd through 12th grade students came to display the gifts and talents God has given them. They have been working on their projects for the last few months. This year, we took 15 students and about 50 of us, total (counting coaches and parents there to support them).

The purpose of LTC is to plan, organize, promote, and execute programs that assist young Christians to develop their knowledge of the Bible and biblical principles, enhance their communication and leadership skills, and orient their energies and abilities to areas of Christian service. The theme this year was "Kingdom Come," and everything was focused on what it means and looks like to be a part of God's Kingdom. Our kids displayed this in everything they did – not only in the events they participated in, but also in the way they interacted with each other. They were examples of Christ in everything they did. This evening some of our young men will be leading the services and afterward we will be having a reception during which they will receive their awards. I want to encourage everyone who can to stay and see a sampling of what went on at the convention and support our young people as they receive the awards for the hard work that they have done.
