## GOOD MORNING...

A number of our youth spent the last week at White River Youth Camp. We spent the entire week studying and learning about prayer. We learned what it means to pray from the heart. I was reminded of a story I have shared before that I heard from my father-in-law. There was a man that wanted to build a town's first bar. The church in the town decided to have a prayer meeting to pray that something would prevent the man from building the bar. The man had no problems getting the needed permits and licenses to complete his bar. Before construction was complete, lightning struck the bar and burned it to the ground. The man was upset and decided to sue the church. The church claimed that the church's prayer could not be responsible for the lightning. The judge was taken aback and said, "What it appears we have here is a bar owner who believes in the power of prayer and a church that does not."

The story makes you think. How much do you believe in the power of prayer? Do we believe that when God hears our prayers, He answers them? In the Sermon on the Mount Jesus said if we ask, we will receive and that our Father gives good gifts to those who ask. When we pray, we need to believe and be anxiously waiting for God's answers to our prayers. Let us be people who believe in the power of prayer.
