LET US MOVE ON

The following article was first published in the Baker Heights Bulletin in 1962 by former minister Robert Johnson.

Moses once made a statement like this, "We have dwelt here long enough let us move on!"

The principle of moving on, of increasing, of growing, is basic to Christianity. We need to apply it to ourselves on an individual basis.

Let us move on from...

...worry to work to reward;

...ignorance to knowledge to wisdom;

...stagnation to growth as a Christian;

...being saved to serving;

...narrowness to wiser perception of Christ;

...selfishness to greater giving;

...the world to Christianity to heaven.

For each of us have to work out our own salvation and bear our burden. Our growth depends on moving as an individual first, then as a group.

Robert Johnson

BHCC Preaching Minister - 1959-1964

The first 2 years BHCC members met at Dyess AFB until the building opened in May 1961. The first service in our building (our Education Building now) was on May 14, 1961. We first met in our current Auditorium July 29, 1984.
