## SUMMER OUTLOOK

Summer is for baseball, ice cream, and sweating...a lot of sweating. Even with good air conditioning, we still have to face the heat if we work outside, do outdoor activities, or get in the car after a trip to the store. Is this God's natural detox for sweating out the impurities, toxins, and chemicals of our bodies?

This month we begin with a lesson on The Power of One Baptism. The Bible connects several blessings directly with baptism. In fact, baptism stands between the sinner and many of God's greatest promises.

Next week, we will discuss music in the church in a lesson called Out of the Chapel. Churches of Christ have a long history of a cappella music, but what does that word even mean? We will discuss the meaning and significance of that musical term.

Have you ever discussed faith and God with someone who was sincere, but there was just something off about them? How do you address those issues without driving them away from God? On July 27, the lesson, Correcting False Conclusions, will draw some practical tips from Paul's interaction with the Ephesians on dealing with people's sincere but false conclusions.

This month, Julie and I will attend Polishing the Pulpit (PTP) in Branson, Missouri. This is an annual meeting of Christians from all over the world and an opportunity to hear many great lessons on many topics. We have been attending PTP since 2007 and are excited to share in the praise and glorification this year.

Don't forget about Vacation Bible School. Workers are already creating, planning, and buzzing about to make VBS a spiritual mountain top this summer. Black out July 15-17 on your calendars for VBS.

Summer is also for traveling, staying busy, and more sweating.
